Veggie cheesesteaks will join the lineup at the new Fishtown shop.

The second location for 66-year-old cheesesteak institution **Joe's Steaks and Soda Shop** (formerly known as **Chink's Steaks**) is finally nearing completion in Fishtown. The opening for the new shop at Girard and Frankford avenues has been set for Wednesday, April 1 at 11 a.m.

To fit into their new hood, this Joe's will offer veggie burgers and vegan cheesesteaks in addition to their signature items. They're also promising a grilled cheese menu, even more milkshakes, and a roomier dining room than the original, with seating for 100.

The original location, on Torresdale Avenue in the Northeast, will remain open.
